Facials

Diamond Microdermabrasion

Diamond peeling is a fantastic anti-ageing treatment which leaves the skin feeling soft and silky and looking radiant.

No mess, no fuss. The discs glide effortlessly over the skin, performing a wonderful peel. No vacuum, as there are no crystals to remove from the skin.

Benefits of Microdermabrasion

- Improvement of skin tone, colour and texture
- Increased elasticity
- Reduction of enlarged pores
- Removal of surface skin lines and wrinkles
- Removal of discoloration caused by sun damage
- Fresher and younger looking skin

1 hour treatment	£38.00

Microcurrent Non-Surgical Facelift Facial

A safe and gentle, non-invasive alternative to plastic surgery procedures that shows both immediate and long-term results. Microcurrent works in harmony with the natural bio-electrical currents found in our bodies to help speed up the regenerative process, promoting collagen and elastin production in your skin to plump and improve elasticity. Fine lines and wrinkles are reduced, skin tone becomes more even and the supporting muscle tissue under the skin is strengthened resulting in firmer, healthier, more youthful looking skin.

This advanced facial treatment includes deep cleansing, circulation boosting and detoxifying techniques.

1 hour treatment	£45.00
